Dear Fellow Meat Processor,

Thank you for your interest in the Illinois Association of Meat Processors. I hope you will consider becoming a member and taking part in our activities. The benefits are unending, simply because of keeping informed of all the state and federal regulations. Last year, IAMP provided two education sessions related to HACCP Validation as a response to our membership's needs. It's opportunities like those that make IAMP an organization that provides business owners the extra edge to succeed.

IAMP Membership Benefits

- *The 2018 Illinois Association of Meat Processors' Convention and Trade Show will be held on February 22-24, 2018 at the Bloomington-Normal Marriott. The 2018 Convention will include a hands-on workshop at the University of Illinois Meat Science Laboratory, an excellent trade show and a meat product show with 23 classes.*
- *Tours and activities directed to you, the processor. (Tour event usually held late August)*
 - *A connection with customers through the IAMP website.*
- *An unique opportunity to promote your business at the Illinois State Fair Show & Display.*
- *A network of technical information through the University of Illinois and fellow meat processors.*
- *FREE retail marketing materials from the IL Beef Association and IL Pork Producers Association.*
 - *Participation in exclusive member programs such as the Pork Power Program.*
 - *A constant watch dog of inspection and regulatory issues.*

If you have any questions or concerns that you would like to discuss, please feel free to contact myself at 815/623-6328. You may also call Dianne Handsaker, IAMP Executive Secretary, at 815-443-2492. Thank you for your consideration.

Sincerely,
Matt King, President
