Dear Fellow Meat Processor,

Thank you for your continued support of the Illinois Association of Meat Processors.

Wenneman Meat Company has been a member of IAMP since approximately 1970. The knowledge and friendships our business has gained over the years is countless. The product show, educational seminars, plant tours, and trade show has been a huge help in the expansion and success of our company. Being part of the association in your day to day life seems to be a meaningless thing, but when you reflect on all the things you gain from IAMP, it's huge. Just a simple technique, piece of equipment seen at a trade show, recipe or a new, innovative product, which all can make you and your business more successful. IAMP is a huge asset to everyone and I hope it continues to get stronger.

IAMP Membership Benefits

Sincerely,
Paul Otten, President
